USNMC Application for Free Breeder Referral Status (FBR)

(NOTE: This application must be submitted by the sponsoring Breeder. Upon receipt of the application the Applicant for FBR will be contacted by phone or email to let them know of receipt and to discuss the process for acceptance. Sponsoring Breeder will be copied on all communcations.

Date of Application: _____

Full Name (print):_____

Address: _____City, State, Zip: _____

Home/Cell/Work Phones:
_____/_____/_____

Email address: _____

BREEDER SPONSOR NAME:_____
(Must be existing USNMC Full Member)

PLEASE TELL US ABOUT YOUR FBR APPLICANT:
What is their occupation? _____ How many Neapolitan Mastiffs do they own? _____
Are they also a breeder? _____ Will they be exhibiting? _____

This application is for a FREE Breeder Referral (FBR) status in the USNMC. This does not make the applicant a Member of the USNMC, but it does add them to the mailing list and contact list for the club and allows them to begin your association with the club.

FBR status will last for one calendar year from application. After that the FBR status ceases and the individual will be sent an application for Club membership. They can then to apply for any applicable Club Member status.

While in FBR status the individual:

- Will receive all free (emailed) notifications that are sent to club members.
- Will not be mailed a Neogram, although they will be notified of publication and may certainly buy any issue by sending a note and payment to the club Secretary.
- May participate in non-binding surveys or studies that the club's board of directors may choose to send to Members and FBR's.
- May participate in board-approved club-endorsed internet activities for members
- May choose to join the club at any time using the regular membership process (they don't have to wait for the end of their FBR status to submit an application.)

Our expectation is that the FBR individual will be able to use this status as an opportunity get to know other club members and to learn about the USNMC, its initiatives and its needs from the inside.

If either the Sponsoring Breeder Member or the FBR applicant has any questions, please contact any member of the club's Board of Directors or any member of any committee. (see list and contact information for the Board and all committees on the club's website at www.neapolitan.org)

For Club Use Only – Do not write below this line
