### THE MASTINARI HALL OF FAME

This Hall of Fame Category was created in 2006 to recognize those club members who, in the eyes of their peers, have made a significant contribution to the development and furtherance of the Parent Club as an entity or to the breed within the United States. Each year club members may nominate individuals to the Board of directors for consideration of this category.

*In 2006, we inducted into this Hall of Fame Category, all original members (those who joined in the 1<sup>st</sup> year of the club) and who were truly responsible for the USNMC existing. Many of these individuals were present at the momentous meeting in 1992 wherein troubled members of the existing dominant club gathered to determine how to address the serious problems they felt were being exhibited within the organization. The USNMC was formed by this group of individuals who were determined that this club would be a real club, run by a Board of Directors, not by one person, and that would follow a documented set of bylaws.*

### AMBASSADOR OF THE BREED AWARD

This award was created in 2006 to recognize prominent members of the AKC Fancy who are also Club Members who have visibly promoted the breed within the AKC around the country. By acting as Ambassadors of the Breed, these individuals are educating others in a grass-roots way that is important for our breed.

#### **Class of 2006:**

Dr. Theo Kjellstrom  
 Rita Biddle  
 Dee Mattern (this award was given to Dee posthumously)  
 Rhoda Winter Russell

### FRIEND OF THE MASTINO AWARD

This award was created 2006. Similar to the Ambassador of the Breed Award, but not a "Mastino person" or Club Member. Still someone who has visibly and significantly contributed to the image of the breed or the club within the AKC or has significantly contributed to the operations of the club.

#### **Class of 2006:**

Marjorie Tuff  
 Dr. Carmen Battaglia  
 Lenore Riddle

**GOOD SPORTSMAN AWARD**

This Award, given for the first time in 2006, is given to someone who has visibly demonstrated good sportsmanship in every aspect of their contacts with people in the sport. Good Sportsmanship is a key aspect to the proper presentation of the breed and the club and to the education of everyone else involved.

2006 Recipient      Kayley Kovar

**ACTIVE MEMBER AWARD**

This award was given for the first time in 2006. A club depends on members being active and all members should be as active as they can be. But every so often, someone goes well beyond the norm in their support of the breed and the club. This award recognizes these special people and their really extraordinary contributions for the year.
